

ICRN Service

The Inter College Radio Network broadcasts on all its member stations (WTSC-FM, WCCT, and WNTC) announcements of up coming events of campus and community organizations. This service is free and serves to help your organization publicize its events.

To avail yourself of this service, just jot down the details of your organizations meeting, special program, or fund raising event and mail them to the Executive Secretary, Inter College Radio Network, Clarkson College, Potsdam.

Announcements can also be left at the Lewis House Desk addressed to Executive Secretary, Inter College Radio Network. Announcement should be received at least one week before your event to allow for typing, distribution, and most important — ample air time for your organization's events.
